**Flag:** Follow up

Eric:

I hope this finds you well. My apologies for not responding sooner. I discussed Syncon with Mark Pedersen and Ken Kloo.

The February 26, 2021 EPA offer was as follows (also see attached email from Danielle Gervacio):

- Tier 1: Net proceeds up to \$18M will be split: 70% EPA, 17% Town, 13% DEP
- Tier 2: Net proceeds between \$18M and \$20.5M will be split: 50% EPA, 36% Town, 14% DEP
- Tier 3: Remaining net proceeds above \$20.5M will be split: 55% EPA, 22.5% Town, 22.5% DEP

NJDEP can accept this offer with two conditions:

1. There is a time-limit to sell the property within two (2) years.
2. The purchaser must assume responsibility for future O&M costs.

As you and I discussed last month, moving forward, NJDEP is the only entity (EPA, NJDEP, Kearny) that will continue to accrue costs. Although we understand Kearny's desire to not have the property used for certain purposes, we do not want Kearny to turn down offers that are otherwise acceptable and continue to saddle the NJDEP with future costs.

Please let me know if you would like to discuss any of the above. If you are okay with the above, I can "reply all" to Ms. Gervacio's email.

Thanks,

David

Good morning, Eric - I hope this finds you and yours doing well!

Per below, I am in meetings until noon. Is it okay if I ruin our lunch hours and give you a call then? Also, can you give me a hint which lien?

Thanks,
